

*Four-Eyed Frog Books presents:*

# *The Flamingos*

Each year, nine women writers, all published and recipients of literary awards, come from California, Massachusetts, New Mexico, and Hawaii to meet at Sea Ranch. They share their writing, good food, great wine, a lot of laughter, and a deep love of Gualala's stunning coastal beauty. How did they meet? What makes a writers group a success? What can these experts in writing workshops offer the community? Why on earth are they called the Flamingos? Come and find out!

**Meet and greet:** Saturday, June 18 at 4pm
